Alarm Registration and User Identification Letter

Section 15-929.00 St. Tammany Parish Burglary and Robbery Alarm Systems – False Alarm Ordinance

The alarm business is responsible for the completion and submission of the registration of any new installation and/or conversion-takeover of any existing system. The alarm business shall forward to the Sheriff's Office a completed alarm user identification letter including certification of the date of installation, conversion, or takeover of the alarm system. This form shall be submitted within ten days of the install, conversion, or takeover of the alarm system.
